

Upgrading your membership

Thanks for your interest in upgrading your membership and supporting the SDI community! This short tutorial will guide you through the process of upgrading your membership.

If you're already logged in, you'll see your name and some icons at the top right corner of the page. In this case, you can skip the login step on the next page.

If you aren't logged in, you'll see the login page. Type in your **username** and **password**, and don't forget to check **I'm not a robot**. If you check **Remember me**, the site will remember that you're already logged in on future visits. When you've done all this, click the purple **Login** button.
